News From the Classrooms

Butterflies/Infant News:

What a **lovable** Month ahead! Last January, Butterfly Infants gained new learning experience. They were introduced to shapes such oval, star, square. We included colors brown, blue, green and white. The letters for the month were Jj, Mm, Tt, and Ll. We celebrated Martin Luther King Jr. Day by showing the children his pictures and we talked about his dream. We even enjoyed our floor time activities; we also played with soft and hard toys vehicles. We sang nursery rhymes and read books about forest animals, transportation, and weather. We can't wait for this month, more fun and lovable experience, getting active and smarter Butterfly Infants.

Busy Bees/One year-old News:

Wow! The month of January just flew by. Some days were very cold and some days were just perfect! We learned a lot about forest animals and Martin Luther King, Jr. The days that were nice we were able to go outside and use our bicycles for transportation. We also learned about water, and air transportation.

- * *Classroom News*
- * *Birthdays*
- * *Upcoming Events for February*

Let's Celebrate Unity Month!!

We will have Trivia questions weekly. If you answer the question correctly and your child's name is drawn, you child will win a prize.

The winner name will be drawn on Friday, the winner will be announced on Monday. Thank you in advance for your participation!!!

Grasshoppers/Two year-old News:

We welcome our new teacher Ms. Shanita. She is getting to know each and everyone of us on a personal level. We learned all about Martin Luther King, Jr. We had a super parade and also celebrated 100 days of school this month.

Parks' Place would like to thank the following parents:

DEBORAH JACKSON
CARA INGRAM
KEISHA CARNEY

FEBRUARY 2011

HAPPY VALENTINE DAY TO YOU AND YOURS!

Awesome Pawsoms/Three year-old:

We learned about the amazing Martin Luther King, Jr. It was a blast when we had a parade for him. January was all about weather and transportation. We learned that depending on which type of transportation you take, you could arrive at your destination sooner or later. The best part of learning about transportation, was when we drew a map and traveled it with our small cars.

Fireflies/Fall VPK News:

January was a busy month! This month we learned a lot about the weather and how it effects animals and us. We also learned about several types of transportation. We had a yummy time making doughnut wheels out of biscuits.. Monday, January 18th was a holiday for Martin Luther King, Jr. It was his dream that we all would be treated equal.

Extended Day News:

We were all hoping to have a snow day but we live in one of the two states that didn't have snow.

It's not fair, no snow day for us. We had a great time this January remembering to write down 2011 instead of 2010

Look Who Read 30 books in January?

William B. 31 books

Donnanne B. 31 books

Kendric D. 35 books

Sara G. 40 books

Gabriel R. 32 books

Tremaine S.. 32 books

Good job on
reading 30
books, way to
go!!!

PLEASE WELCOME OUR
NEWEST FAMILIES!!
