

News From the Classrooms continued

Fireflies/ VPK A & B News: What a great month, filled with so much fun and learning. Some things we enjoyed the most were creating a lemonade stand and turning the home living center into a pond. We had fun at the pond learning about the life cycle of a frog. We had a lot of fun eating and playing at the park after visiting Kindergarten. Ms. Valarie and Ms. Wynette would like to thank everyone who helped make teacher appreciation week a wonderful surprise. The teacher pin and mailbox, along with the flowers and school supplies were very special treats. The snacks and gift cards were loved and appreciated as well. Thank you so much for a really special week. We will continue to plan for our upcoming graduation and we couldn't be more proud of our children and their accomplishments.

Fireflies/ VPK D & E News:

During the month of May, we did some super fun activities. We celebrated Mother's Day by inviting our mothers to eat lunch with us. We made picture frames, teapots and tea as well as cards with a special poem. We worked with the letter "Mm", the color pink and the heart shape. Was it just a coincidence that all of the things remind us of "mother." We also learned about pond life. We took a very important field trip to learn about Kindergarten. It was fun, but we really enjoyed the time at the park afterwards. Ms. Annette would like to thank all the parents for making teacher appreciation week so special. Now we have to ramp up for our end of year assessments and graduation. Woo Hoo!

and/or after the
VPK hours at a
rate of \$5 per hour**

Fireflies/ VPK C News: Mother May I please tell you about another exciting month filled with Mother's Day activities and lots more learning? We had so much fun learning about water life and summer fun. We really enjoyed our time at the park. Boy was it hot, but it was so much fun. And, we really deserved it after our thoughtful visit to Enterprise Learning Academy to learn about the rules and structure of Kindergarten. Ms. Dee and Ms. Erin would like to thank everyone for all the thoughtful cards and gifts that were received for teacher appreciation week. We appreciate the children as much because they are our future angels, teachers, doctors, firefighters and more.

News From the Classrooms

Butterflies/Infant News: May flowers is over, but the new experience we had was so wonderful. We celebrated Mother's Day by making cards with our handprints; a token of how much we love and appreciate our mommies. We also enjoyed making foot and palm fish for our imaginary pond. We are so excited for June to arrive. We love the summer. Also, congratulations to Kayden and Christopher for moving up to the One Year Old classroom. We will miss you, but are so proud of you. The rest of us will see you again soon!

Infant Birthdays Celebrated this Month:
Kayden

Busy Bees/One year-old News: We had a very busy month loaded with learning and fun. We started off by celebrating Mother's Day by making flowerpots and cards. It is so fun to do something special for our moms. We learned so much this month about all the exciting plants and animals living in our ponds and oceans. We especially enjoyed learning about the frog and the octopus. Also, we reviewed all of our shapes and colors and continue striving to reach those learning milestones.

May Field Day

May Field Day was a huge success and couldn't have been done without the extraordinary help from our staff and volunteers. Thank you to all who helped to make this day exciting and successful. We would especially like to thank Ms. Yvette for coordinating the event.

Grasshoppers/Two year-old News: We had such a wonderful May. We learned about sea animals like fish, jellyfish and sharks. We have also been learning the days of the week and months of the year. We even practiced counting from one-to-ten, and we are really getting good at it. We learned the first letter of our names and studied emotions like happy, sad, mad, worried and surprised. Summer is almost here and we have been getting ready for all the exciting activities the warm weather brings. Also, congratulations Chayse for winning the reading challenge with 120 books.

Two Year Old Birthdays Celebrated this Month: Brianna, Jasper, and Ian

Awesome Possums/Three year-old News: The possums didn't have a lot of time for play in May. We were steady learning our letters, shapes and colors. We did have a wonderful time visiting the garden we planted for Earth Day. We can't believe how big our plants are growing. Also, we made gifts for our Mommies for Mother's Day. We did a lot of hard work this month, but are now looking forward to some summer fun!
